**Garbage pick up** was discussed by the board following a citizen request. The board continues to promote the Saturday morning transfer station to township residents. The Town of Trenton has a population that is spread wide and contracting for individual pickups would be costly to the township.

Some tiling will be done along Buckhorn Road resulting in a potential new culvert. If Kartechner's provide the culvert, they can charge the town for reimbursement.

Heat in the shop is completed. Exit lights are in and we are waiting for the garage lights to be replaced with LED's. ARPA funds were used for these updates.

ARPA funds could also be used to replace the existing garage doors, which are original, or replace the rubber seals on them. Recommendation will be made after further inspection.

**Road Report:** Roads are being plowed as needed.
