

TOWN OF TRENTON
REGULAR BOARD MEETING
MARCH 17, 2025

Meeting was called to order at 7:00 p.m. by Chairman Russell Kottke.

Attendance: Karla Zimmerman, Melissa Pausma, Russell Kottke, Kristie Buwalda, Jeff Wilson & William Rake.

Minutes were read by Karla. Motion by Kristie, 2nd by Jeff, to approve the minutes as read. Motion carried.

Treasurers Report was read by Melissa. Balance on hand \$9,392.10 in the checking account. Motion made by Kristie, supported by Jeff to approve the Treasurer's report. Motion carried.

Letter of Rezoning Notification for Walker Bros LLC was presented. William Rake spoke against the rezoning because it will take away more farmland from the township. With the recent annexation to the City of Beaver Dam of 850+ acres, the board felt that we should maintain and preserve township farmland. In addition, the proposed location would only be accessible via Town of Trenton roads. With the reasoning for the rezoning undefined of future plans, the board felt it was in the best interest of the Town of Trenton to deny the rezoning notification. Kristie made a motion to deny the rezoning request, Jeff 2nd, Motion carried.

Citizen Comments: None

Road Report: Russell received a call from the Sheriffs Dept about the road damage on Hemlock Road. He suggested they call the City of Beaver Dam as the digging was done to bury water and septic lines for the city.
