Citizen Comments: Earl Braker shared his frustration with his neighbors to the side and behind his property in regards to the thistles on their lawn and as part of the spoils berm. Following the letter the town sent, the lawn was mowed 1 time to knock down the thistles. WI State Statute 66.0407 does require landowners to destroy noxious weeds that are on their property. Karla will draft and publish on or before May 15, 2026 a class 2 notice that every person is required by law to destroy all noxious weeds on lands in the municipality which the person owns, occupies or controls.

Road Report: Bruce Walker, on behalf of Lukasz Lyzwa with GEC, has requested permission to apply for LRIP or STP Local state grants for the reconstruction of Redwood Road. With the deadlines approaching at the end of October, there is no issue with submitting an application at this stage. If the town decides to not move forward, any funding can be declined. The board supports the willingness of Lucysz to submit applications on their behalf.
