Citizen Comments: Glenn Stommel & Milt Schessow shared that there is a section of Hemlock Road between Pine and Fairway Drive that has a significant drop off and that there is a bad section of ditch on Jason Drive also. Russell stated that we would take a look and get it filled in. They also asked if we could please get the road ditches trimmed also.

Glenn also had concerns about the speed limit on Hemlock, as the UTV's and ATV's have passed his car, and were clearly not obeying the posted signs. Wondering what it would take to drop the speed limit. According to the WI Transportation Information Center, the municipality must conduct an engineering and traffic investigation to determine a reasonable and safe speed limit. The limit must then be legally adopted by the local authority and appropriate signs erected.

Road Report: Mowing is ongoing.
